WORK EXPERIENCE

CoCo Fresh Tea & Juice BC, Shift Supervisor, Surrey, BC

Feb 2021 – Apr 2022

- Improved scheduling integrity and efficiency by finding replacements for absences, enforcing breaks and shift start/end, while altering staffing on a daily basis
- Appointed shift supervisor by manager for modelling efficient leadership and customer service skills over a six-month period

TECHNICAL PROJECTS

NBA Fantasy Draft Simulator – Class Project, Object Orientated Programming

Feb 2023

- Fully constructed a draft simulator in java that allows users to produce mock drafts in preparation for the upcoming fantasy seasons. Mostly utilized the Java API to perform most of the operations and the NBA API to import player statistics.

BeSmart – Hackathon Project, HelloHacks UBC Biztech 2022

Sep 2022

- Awarded best UI/UX design among 15 teams in a weekend long hackathon by designing an app prototype that utilized active recall through notification alerts as a learning resource
- Used Figma to model the frontend user interface of the mobile application and Python for the general backend structure

EXTRA-CIRRICULAR EXPERIENCE

Enactus UBC, Finance Manager, University of British Columbia

Apr 2022 – Present

- Raised over \$1000 for one of Enactus's feeder clubs by collaborating with a team of 8 students to setup fundraising events while writing grant/accelerator applications over a 6-month period
- Assisted with budgeting and fund adjudication decisions through contributing in weekly team meetings and reviewing the targeted financial objectives for the year.

Commerce Undergraduate Society UBC, Financial Analyst, University of British Columbia

Mar 2022 – Present

- Collaborated with five CUS-affiliated clubs to assist with providing financial decision making, setting up their yearly budget, and filling reimbursements over an 8-month period
- Oversaw the \$1.2 million operating budget through managing, analyzing, and reporting information gathered from my assigned services to help create the CUS mid-year reports

UBC Sauder School of Business, Orientation Leader, University of British Columbia

Jul 2022 – Sep 2022

- Facilitated the delivery of Imagine UBC and The Spark by leading a group of 20-22 first-year students throughout the orientation program

UBC Student Tax Assistance Clinic Tax Volunteer, University of British Columbia

Jan 2022 – Apr 2022

- Completed error free tax returns decreasing inaccuracy rate by 50% through double-checking and verifying information while reporting them on tax forms consisting of (T4, T1, T2202).
